Additional Information

Monthly Payment Schedule: three months are due the first day of August, which pays for September, April, and May, and then pay on the first day of each month, October through March. The registration fee of $100 will be applied on the last month's tuition.

Quarterly payments are due the first day of August, October, December, and February.

Semi-annual payments are due the first day of August and December.

Full-year enrollment payments are due on or before the first day of August.

The last payment is reduced since the first Quarterly and Semi-Annual payments must include the last two months' tuition.

A 5% discount is given for a second family member's enrollment, and a 10% discount is given for additional family members. (This does not apply to preschool.) 5% of the tuition payment will be assessed if payment is not received by the 10th of the month in which payment is due. Absences are not refundable. Additional fees may be assessed according to the extracurricular activities in which the child is involved. Extended Day Hours are available before and after school for Kindergarten through 9th Grade students.

The two-months' tuition required by August 1 for April and May is non-refundable if the student leaves the school prior to that time.

Students are admitted to classes only after the original payment is paid.

Please call 486-5083 or 466-4214 to inquire about Reid Learning Center's supplementary after-school and summer programs.
