Additional Information

Payment plan totals gradually increase as the number of payments increase.

Monthly Payment Schedule: four months are due the first day of August, which pays for September, March, April, and May, and then pay on the first day of each month, October through February.

Quarterly payments are due the first day of August, October, December, and February.

Semi-annual payments are due the first day of August and December.

Full-year enrollment payments are due on or before the first day of August.

A 5% discount is given for a second family member's enrollment, and a 10% discount is given for additional family members. (This does not apply to preschool or half day kindergarten.) 5% of the tuition payment will be assessed if payment is not received by the 10th of the month in which payment is due. Absences are not refundable. Additional fees may be assessed according to the extracurricular activities in which the child is involved. The four-months' tuition required by August 1 for September, March, April and May is non-refundable if the student leaves the school for any reason prior to that time. Materials fees are due on the first day of December and are not pro-rated for partial years, nor are they refundable. Students are admitted to classes only after the original payment is paid and the applicant has demonstrated the necessary academic and social skills required for admission to Reid School. In the event a payment becomes delinquent for more than 20 days without written consent from Reid School administration, the student will be withheld from class.

The last payment is reduced since the first Quarterly and Semi-Annual payments must include four months' tuition.

Please call 466-4214 or 486-5083 to inquire about Reid Learning Center's supplementary after-school and summer programs.
